

## HIGH SCHOOL MUSICIANS TO BE FEATURED AT BOARD OF EDUCATION MEETINGS

Beginning last September, the sound of live music from APS high school music programs is now featured at the second Board of Education meeting each month.

*John Miller, APS  
Community Relations*

*Cibola HS seniors  
(clockwise from left), Kyle  
Anderson, Malaka El,  
Theresa Alanis, and  
Derin Bollinger played at  
the September 17th Board  
of Education meeting.*

Students from Cibola HS played at the inaugural event at the September 17th Board meeting. Board members also took advantage of the occasion to recognize Cibola's band director, Aaron Fleming, on being named Music Educator of the Year by the NM Music Educators Association.

Students from Sandia HS and Manzano HS played at the November board meeting. December's Board meeting will feature students from Monte Vista Elementary under the direction of Holly Gilster, elementary music teacher.

Through a partnership between the district's Board Services office and Fine Arts program, it is hoped that the sound – and importance — of music will become a permanent feature of APS Board of Education meetings.
